

# Singletary Rod & Gun Club May 2017

**FROM THE PRESIDENT-** Hello, I hope everyone is having a successful turkey season this year. There are plenty of them out there almost as many turkeys as there are ticks. Please be sure to use effective repellent and do a thorough tick check. Lyme disease is not fun and could kill you! With the warm weather here I would like to ask everyone that will be using Sacarappa this summer to please show the utmost respect to our neighbors abutting our property and access! Let it be known that if we have problems with any of our club members on Sacarappa property it will not be tolerated! I know that I can count on everyone to show some class.

**Thank you, Ed Wunsch**
